

Integrated Digital Patient Access, Intake and Engagement.

Improve safety, satisfaction and revenue.

Finally, patients can engage with their healthcare as easily as they shop online or book vacations. Provide the consumer-friendly experience patients expect with EngageCare integrated digital patient intake and engagement solutions. With intuitive digital tools that improve patient safety, satisfaction and flow, you ensure a consistent patient experience while increasing volume, net revenue and efficiency.

Consolidate vendors into one comprehensive platform.

Our market-leading patient access solutions integrate with innovative digital patient intake and engagement tools to deliver flexibility and an omnichannel patient and staff experience that outshines the competition. From online pre-registration, automated appointment reminders and digital check-in to virtual waiting rooms, bi-directional texts and patient payments, our solutions integrate into your EHR and can be used across health systems, hospitals, ambulatory settings and even telehealth applications.

Modules

- Patient Online Pre-Registration
